Calculation of the Amount of the Administrative Monetary Penalty

1. Pursuant to Article 175(1) (ii) of the FIEA, the amount of the administrative monetary penalty is calculated as the value of item (a) minus item (b) as follows:

(a) The volume of shares purchased multiplied by the highest price per share in the markets during the two weeks after the disclosure of the material non-public information

(b) The volume of shares purchased multiplied by the actual purchase price per share

$$\begin{aligned} 14,643,700 \text{ yen} = & \text{(a)}[16,600 \text{ shares} \times 1,550 \text{ yen}] - \\ & \text{(b)}[500 \text{ shares} \times 554 \text{ yen} + 500 \text{ shares} \times 629 \text{ yen} \\ & + 500 \text{ shares} \times 630 \text{ yen} + 1,000 \text{ shares} \times 649 \text{ yen} \\ & + 3,000 \text{ shares} \times 650 \text{ yen} + 200 \text{ shares} \times 658 \text{ yen} \\ & + 500 \text{ shares} \times 660 \text{ yen} + 500 \text{ shares} \times 670 \text{ yen} \\ & + 1,000 \text{ shares} \times 671 \text{ yen} + 500 \text{ shares} \times 673 \text{ yen} \\ & + 600 \text{ shares} \times 677 \text{ yen} + 600 \text{ shares} \times 678 \text{ yen} \\ & + 300 \text{ shares} \times 680 \text{ yen} + 2,500 \text{ shares} \times 682 \text{ yen} \\ & + 500 \text{ shares} \times 684 \text{ yen} + 500 \text{ shares} \times 685 \text{ yen} \\ & + 300 \text{ shares} \times 688 \text{ yen} + 300 \text{ shares} \times 693 \text{ yen} \\ & + 100 \text{ shares} \times 694 \text{ yen} + 200 \text{ shares} \times 695 \text{ yen} \\ & + 500 \text{ shares} \times 696 \text{ yen} + 500 \text{ shares} \times 697 \text{ yen} \\ & + 500 \text{ shares} \times 698 \text{ yen} + 500 \text{ shares} \times 699 \text{ yen} \\ & + 500 \text{ shares} \times 705 \text{ yen}] \end{aligned}$$

2. Pursuant to Article 176(2) of the FIEA, the amount of the administrative monetary penalty shall be 14,640,000 yen, as the amount of less than ten thousand yen is rounded down.
